PARENTS MEETING

Saturday 8:30-10:30 am
Arizona Ballroom D

The Parents Meeting will include brief introductions, followed by an open discussion of pertinent issues, based on the needs of those in attendance. The goal is to cover as many topics as possible from infancy through transition to college.

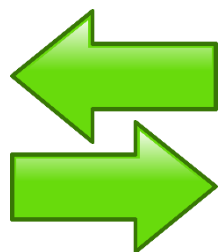

Facilitators –

Betsy Trombino has been a member of LPA for over 40 years. She is the average-height mother of three and grandmother of seven. Her son Mark, daughter-in-law Carol, and two grandchildren (Priya & Leah) all have dwarfism.

Jon and Sonia Welch have both been LPA members for over 40 years. They both have achondroplasia. They grew up in the same LPA chapter in the San Francisco Bay Area and have now been married for almost 20 years. They have two adopted sons both with achondroplasia. Garrett is 7 years old and Andrew is 5 1/2 years old.
