# *Women's Gathering*

**Sunday 9:00-10:00 am**  
**Arizona Ballroom C**

*This session is for Women only... both LP and AH*

Take time to decompress from the wonderful weekend and relax with old friends or branch out and make new ones!

This is an informal gathering where we can all share each other's ideas and suggestions on whatever topics just so happen to come up organically over the hour.
