

Little People of America
Trifecta 2015

MENTORING

Saturday 8:30-9:30 am
Arizona Ballroom G

Want to give back but don't exactly know how to get started? Remember how many people were there for you along the way as you grew into the person you are today? Come join in this life changing and motivating discussion and make a difference in a child / tween / teen's life by giving a little of your time and making a huge difference in your own life as well!

Facilitators –

Mark Trombino has literally grown up in LPA and has been a member for over 40 years. He strongly believes that all adult LP's should give back to the organization that was always there for them growing up. Mark is happily married to Carol, and has two amazing daughters, Priya & Leah.
