HISPANIC MEETING

Saturday 9:30-10:30 am
Arizona Ballroom E

The Hispanic Meeting will include brief introductions, followed by an open discussion of pertinent issues, based on the needs of those in attendance. The goal is to cover as many topics as possible from birth through the adult years, and answer any questions you may have on what doctors have told you or concerns you may have. Although we are not doctors we can help you find the right person to talk to here at the convention and if you need translating we can help facilitate that also.
